## MARCH MADNESS!

**March, 2019**

### **The Good News**

We're so proud of our guests that have taken advantage of all the support and services Family Care Center offered to them. These guests worked hard, saved and moved on to permanent housing. Recent families that have transitioned successfully include Ms. Smith, who was able to secure a great job while she was here, and is currently in school for nursing as well! And Ms. Bowman, a victim of domestic violence, who has worked and saved and moved into her own town home apartment. She will be able to have all of her children together again in their new home. And Ms. Romero, who has a disabled child, is getting ready to move into her manufactured home she is purchasing! She is so excited to own a home and be able to spread out. We are so happy for these families that we were able to help them get a fresh start!
