PAPER TOWELS, DISH SOAP AND LAUNDRY DETERGENT ARE NEEDED! CAN YOU HELP?

**Happy 2021!**

### **It's a new year...**

We are looking forward to 2021 and wish everyone a wonderful, safe and successful year. We continue to serve those in our community that need a helping hand to get back on their feet, working and saving and moving forward to independent living. Thank you for your support in the past and we need you now more than ever as we keep our doors open during what we hope are the waning days of this pandemic. Donate [here](#)

### **HOPE can be found here.**

Did you know Family Care Center is managing the HOPE program for Catawba, Caldwell and Alexander Counties? This program assists people who are behind, because of Covid-19, on their rent and utilities by paying up to 6 months of rent and past utility bills. The program has been closed to new applicants for months now but we have already served over 500 households. Pictured here are who we call the college girls-all graduates of LRU who have been working on this program since October. From left are Tamara Lebo, Alexis Hasson and Cheyenne Watson.

## FCC has a working board!

Led by president -elect of the board, Todd Byrd, FCC board members have been hard at work this month on landscape duty-trimming bushes and trees, pulling up weeds and cutting down dead botanicals. We are so appreciative of their hard work that so far has spruced up our central campus and our Claremont property. Pictured are the main Campus Crew from the top, Marian Erikson, Board President Jeffrey White, Shana White, and Todd Byrd with recruit Deb Byrd. Pictured way below are the Claremont Crew: Todd Byrd, Eliza Hucks, Wen Tate and Jay Robison. Eliza and Jay are new board members as is Shana White.
